-) to help develop library services to the community

What we do:

How we Help:

- Fund a portion of the operational expenses for the library that are not covered in the Village budget, allowing the library to be open five days a week.
- Provide funds for all library programming & events. Funds provide for supplies, presenter costs, and other fees such as movie licenses.
- Provide funds for occasional other needs not covered by the general budget.
- Manage the Book Barn, which provides low-cost used books to the community and much needed income for the friends.
