7. Lewis-Approval of Lease Agreement at Old Fire Station Building-Mayor Wilson explained that he and Cody Lewis had worked on a draft Lease Agreement. He then asked if Jess Lewis could look at the agreement, respond to the comments, and see if consensus can be reached. The Mayor suggested rent of $600/month, and Mr. Lewis countered with $500/month. The mayor also noted that Cody Lewis provided a list of improvements. His suggestion is for the council to agree on a “build-out” amount rather than sort through all the different improvements one by one. This amount would later be applied against the rent because almost all the improvements suggested benefit both the Village and the Lewis group. Jess Lewis informed those present that he and his partners have been working with CNM Small Business Development to create the business plan, concept drawings, and other items. The Lewis group stated that a building inspection is needed before the list of improvements can be finalized. Mayor Pro-Tem Sweet asked if Mayor Wilson could schedule the inspection right away, and Mayor Wilson agreed to contact CID immediately. Trustee Ryan expressed a desire to move forward as soon as possible, and suggested a special meeting after the inspection for the specific purpose of finalizing the lease agreement.

Also, the MVD is back in operation.
