RESOLUTION 2017-014
Adopting an Infrastructure Capital Improvement Plan (ICIP)

Whereas: The Village of Jemez Springs, New Mexico has recognized that the financing of public capital projects has become a major concern in New Mexico and nationally; and

Whereas: in times of scarce resources, it is necessary to find new financing mechanisms and maximize the use of existing resources; and

Whereas: systematic capital improvements planning is an effective tool for communities to define their development needs, establish priorities, and pursue concrete actions and strategies to achieve necessary project development; and

Whereas: this process contributes to the local and regional efforts in project identification and selection in short and long range capital planning efforts,

Now therefore be it hereby resolved that:

1. The Governing Body of the Village of Jemez Springs, State of New Mexico has adopted the attached BY 2019-2023 Infrastructure Capital Improvement Plan, and
