Village of Jemez Springs, NM
RESOLUTION 2018-010
Adopting an Infrastructure Capital Improvement Plan (ICIP)

Whereas: The Village of Jemez Springs, New Mexico has recognized that the financing of public capital projects has become a major concern in New Mexico and nationally; and
Whereas: in times of scarce resources, it is necessary to find new financing mechanisms and maximize the use of existing resources; and
Whereas: systematic capital improvements planning is an effective tool for communities to define their development needs, establish priorities, and pursue concrete actions and strategies to achieve necessary project development; and
Whereas: this process contributes to the local and regional efforts in project identification and selection in short and long range capital planning efforts,

Now therefore be it hereby resolved that:

1. The Governing Body of the Village of Jemez Springs, State of New Mexico has adopted the attached FY 2020-2024 Infrastructure Capital Improvement Plan, and
2. It is intended that the plan be a working document and is the first of many steps toward improving rational, long-range capital planning and budgeting for New Mexico's infrastructure.
3. This Resolution supersedes previous resolutions concerning ICIP's.

Passed, Approved, and Adopted by the Governing Body at its regular meeting on August 15, 2018.
