

Village of Jemez Springs Planning and Zoning Commission

PUBLIC NOTICE

On July 15, 2021 at 6:30 p.m. the Jemez Springs Planning and Zoning Commission will meet at the Village Conference Room (adjacent to the Library) to consider the revocation of the wireless telecommunications facility conditional use permit granted to Commnet in 2014. The basis for the revocation is Commnet's failure to file NIER (non-ionized electromagnetic radiation) certifications annually and their failure to seek recertification prior to the five-year anniversary of the original permit. The Commnet tower located at 17816 Highway 4 (Johnson Hill Road) provides roaming services for various cellphone providers. All meetings of the Planning and Zoning Commission are open to the public.

Meeting will be conducted following
Mask and Social Distancing Protocols
