**A Resolution Adopting a Wastewater Rate Exemption for Residential Users
Based on Age, Disability Status, and Income**

WHEREAS, the Village of Jemez Springs Village Council has heretofore by ordinance established wastewater fees for current wastewater connections services provided by the wastewater department and,

WHEREAS, the ordinance which set forth the rates and fees so established provides that the same may be modified or amended from time to time by resolution of the Village of Jemez Springs Village Council, and,

WHEREAS, the Village of Jemez Springs Village Council has reviewed information relative to the needs of low-income, disabled, and senior residents,

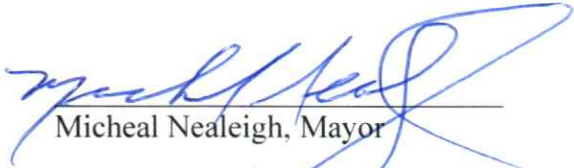

NOW THEREFORE BE IT RESOLVED that a wastewater rate exemption shall be made available to qualified residential users.

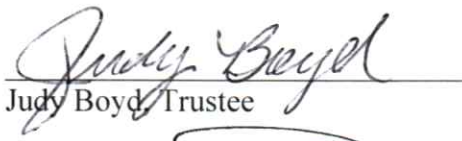

To qualify for a rate exemption an applicant must be 65 or older and/or disabled, with a modified adjusted gross income (MAGI) of \$35,000 or less and must make application providing proof of age, disability status, and MAGI.

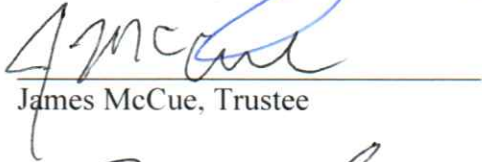

An applicant who is not granted an exemption by the Wastewater Department may appeal the decision to the Village Council. An applicant granted exempt status shall be billed at rates in effect on August 1, 2024, and modified from time to time by the Village Council. If granted, exempt status is provided to the individual applicant, shall be reviewed at least every five years, and is non-transferable.
