RE: Commnet – FirstNet Project – Site Name: Jemez Springs

Dear Mr. Michael Nealeigh and Mr. Robert Naumann;

Commnet Four Corner's proposed wireless telecommunication facility shall be maintained in a safe manner, and in compliance with all conditions of the Conditional Use Permit, without exception, unless specifically granted relief by the Village in writing, as well as all applicable and permissible local codes, ordinances, and regulations, including any and all applicable County, State and Federal Laws, rules, and regulations. The construction of the wireless telecommunication is legally permissible, including, but not limited to the fact that the Applicant is authorized to do business in the State. Please see attached Commnet Four Corner's status of good standing.

We greatly appreciate your help with this Commnet's proposed project and contact me at 312-858-6546 if you have any questions.

Best Regards,

cynthia vandemark
