Hi Cynthia, Here's that info you requested: I, Mel Johnson, Sr. do hereby approve access to cell tower site and road @ 17812 Hwy. 4 in Jemez Springs, New Mexico. Along with land (1 acre) that surrounds the tower site for any and all emergency or maintenance vehicles.

**Best Regards,**

Hi Melvin,

Thanks for taking my call today regarding the Jemez Springs telecommunication site. Per our conversation, please confirm you approve that, in the case of an emergency situation, you would approve that emergency vehicles could access site and that although not designated, nothing would restrict vehicles from turning around and would be allowed to in such a case.

Thank you!

Best regards,
