

VILLAGE OF JEMEZ SPRINGS PLANNING & ZONING

Building Permit Mobile Home Installation Permit Authorization Only (no Village Permit required)

I. Applicant

Name: _____ Phone: _____

Mailing Address: _____

Email Address: _____

1. No site preparation, construction, or mobile home installation may begin until a permit from the NM Construction Industries Division (CID) or the Manufactured Home Division (MHD) is issued.
2. The Village of Jemez Springs participates in the National Flood Insurance Program (NFIP). If the proposed development is found to lie in the 100-year flood area a Floodplain Development Permit is required, as well as compliance with the NFIP construction requirements established by the Federal Emergency Management Agency (FEMA).
3. The Sandoval County Floodplain Administrator is designated by the Village to conduct the floodplain determination, and to issue a Floodplain Development Permit, if required.
4. A site sketch showing location of structures, property lines, and other relevant information is attached.
5. This form is to be submitted to the Village Office with required fee(s).
6. Applicant hereby gives consent to the Floodplain Administrator and the Zoning Administrator, or his/her representative, to make reasonable on-site inspections which may be required to verify compliance.
7. Applicant certifies that all statements herein and in attachments to this application are, to the best of their knowledge, true and accurate.
